William Menasco questioned the Board on how they felt about the fees to be charged to new South Pointe lot purchasers, since the developers had placed the taps and boxes on each lot and the water lines would be donated to the South Toledo Bend Water District by the lot owners. Discussion followed and it was decided by the Board that instead of having to pay the normal fee for the RESIDENTIAL $\frac{3}{4}$ " METER, the purchaser of a lot in South Pointe will be charged a fee of \$275.00 for a RESIDENTIAL $\frac{3}{4}$ " METER.

A motion was made by William Menasco to set the new installation fee at \$275.00 for a new lot owner within the South Pointe Subdivision, second by Frances Walker and approved by all.
